

MEETING JESUS: We Do, Can She?

Matthew 15:21-28

August 19, 2018 Kemptville CRC

"And her daughter was healed..."

V.21 – What is the “region of Tyre and Sidon”? And who is a “Canaanite”?
What might be a contemporary equivalent to this?

V.22 – the woman's request
try and picture it: the tone, the content..... what's at stake?

“Lord, Son of David” - what does that signal?

Now watch Jesus' response.....
What might be our response from a 2018 point of view?

How is Jesus responding? What is he doing?

The Disciples

v.23 what do they ask for?
why? a/
b/

v.24 Jesus' “bait” -

how might YOU respond?

The Woman

Jesus turns up the heat
(other times he did this: Mark 10:51; John 5:1-17)
her response (compare to the widow in Luke 18)

Jesus' Answer

Instead of words, he teaches with action
- to the disciples he teaches:

- to the woman he teaches:

- to us he teaches:
